Comments	<input type="text" value="what a fantastic opportunity this will be for everybody in the local area of the stadium and OUFC fans with the jobs that will be created all the facilities that OUFC are going to support and all the extra income that will be brought into the community. when i go to the matches with my wife and 2 daughters at the minute we have no option but to drive but if this stadium gets built then as a family we will be able to get the train direct from Bicester straight to the stadium, also my daughters are really excited to get the chance to watch the ladies team play at the same stadium as the men as we currently also have to drive to court place farm when we go to watch them as well."/>
