<b>Type of Comment</b>	<input type="text" value="Support"/>
<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="as a family this new stadium would be amazing for us to get to currently my 2 daughters play football on a Saturday morning where theyve played at Stratfield Brake a few times when the pitch was playable and that place really needs some investment as in its current state is an awful place to go to&lt;br/&gt;after my daughters finish playing football we have to rush about afterwards to drive up to the current stadium with the new stadium we could simply get the train from Bicester.&lt;br/&gt;i feel this new stadium is the greenest option as so many fans will want to travel to the stadium by public transport and with the stadium being all electric it can only be a good a thing to help reduce the clubs total carbon footprint"/>
