Comments	<input type="text" value="as a resident of Kidlington with absolute zero interest in football its pure common sense that this stadium should be built it is a fantastic opportunity to help improve the local facilities for the children who use Stratfield Brake now and those who will continue doing so in the future and to bring in much need revenue into the local area as well as saving KPC a fortune over the coming years in not having to keep paying out to maintain and upgrade Stratfield Brake"/>
