Comments	<input type="text" value="I fully support Oxford Uniteds stadium proposal. I am an exiled fan who attends every home game. I would have loved the facilities, opportunities and community engagement this new stadium offers when I was growing up in Oxford. It will be a wonderful place for family, friends and community members to meet up, with amazing facilities whilst having the utmost respect for our climate and wildlife. O UFC will also provide wonderful facilities for generations and not just for today. This must be applauded and I for one absolutely agree this would be a world class facility for Oxfordshire to be proud of. Please approve it, thank you"/>
