Comments	<input type="text" value="Oxford Utd desperately need a new home to play there football matches at. This site appears to be an excellent option to do this, there can't be many more site options available. Without a new stadium, OUFC will almost certainly perish. The Football club and its supporters were, and still are being treated appallingly by the owner of the Kassam Stadium. A situation that can be put right with the building of a new stadium at the Triangle. The design of the new stadium is very pleasing on the eye and would be of great benefit to the local community as well as the whole of Oxfordshire. This really is a fantastic opportunity for Oxfordshire to have a top class sporting facility. One which should really not be missed. Oxford United is held very dearly by a great number of Oxfordshire residents, myself included. This is a wonderful opportunity for Oxfordshire to raise the bar in its own sporting facilities and we can sit proudly at the same table with all the other Counties / Cities who already have the benefit of such venues. Please support this planning application and do not allow Oxford United to perish. Thank you."/>
