Received Date	<input type="text" value="This is a wonderful once in a lifetime opportunity for Oxfordshire to have a state of the art, environmentally progressive venue built at no cost to the county. It will enable the much loved, only professional football club in Oxfordshire to thrive and continue to provide and expand hundreds of community projects that will benefit not only the local Kidlington area, but the entire county. I fully support this proposal and urge Cherwell district council to approve the planning without delay."/>
