<b>Comments</b>	<input type="text" value="I am a 61 year old season ticket holder who goes to the Oxford games with my son and friends. I believe that this is a once in a lifetime opportunity to not only build a world class stadium but one that is as environmentally friendly as possible. It will also allow me to get to matches without having to use my car which is currently impossible. I believe the new stadium will provide new jobs and much needed revenue and give the local community and people of Oxfordshire something to be proud of."/>
