<b>Comments</b>	<input type="text" value="I first went to the Manor Ground with my Dad in 1963 to see Oxford United. I loved the colour, the excitement and the atmosphere of the games played and have been a fan ever since. My family had season tickets at the Kassam Stadium but gave them up due to the lack of atmosphere, the dilapidated state of the facilities and difficulty parking. The stadium never ever felt like a home to the club and they deserved so much better.&lt;br/&gt;The Triangle will provide a home the club and supporters will feel proud of and can be enjoyed by the wider community, not just for football.&lt;br/&gt;The proposed transport links must surely be a bonus and restricted parking on match days in residential roads, as on Blackbird Leys at present, would protect concerned local residents. Personally, I would be more concerned, as a resident, about the number of proposed houses to be built in the area, each probably having at least 2 cars."/>
