| <b>Comments</b>           | <input type="text" value="As an exiled Oxford United fan I can only emphasise how much better the proposed stadium (in every respect) will be in comparison to the Kassam Stadium. The council has a very real chance to make a lasting impression to everyone in the local area, and the plans from the club, whether societal, environmental or infrastructural are as sound as can be. It will be a pleasure to travel to whether from Oxford and its surroundings or far beyond and will be the club's home for years to come."/> |
