| Comments | <input type="text" value="Our community needs facilities, we need hope, we need sustainable future proof assets which will enrich and encourage sport, health and community. We are desperate across Oxfordshire for decent, well run, well planned leisure operations, this stadium delivers so much and more. The naysayers want to restrict and reduce the well being of others for their own reasons. Please don't put the brakes on our young people by holding them to ransom. Please support the stadium"/> |
