Comments	<input type="text" value="This needs to go ahead for many reasons , it's the perfect site with the railway and available park and rides available.
I think we all know what it would mean for local trade , shops , pubs etc.
More overwhelming is what it will provide for the people of Oxfordshire , something we can all be proud of.

This is a one in a lifetime opportunity 'let's take it' with both hands and look forward to something that will be admired from near and far."/>
