<b>Comments</b>	<input as="" best"="" in="" my="" opinion.<br="" option="" perfect="" the="" type="text" value="Hi,&lt;br/&gt;We, myself and my wife live in Kidlington and both work in Kidlington and Bicester respectively.&lt;br/&gt;I am 54 and been an Oufc season ticket holder all my adult life, and now go occasionally with my grown up children and my grandchildren also, it really is a family feel at the club, more now than I can remember ever. The possible location at Kidlington appears to be the " well=""/> The surrounding roads, at the time the stadium would operate are currently the quietest of the week, Saturday pm, and the occasional Tuesday night game, great! The train station just a stones throw away, great! Many park and rides locally! A very underused Frieze Way! The new cycle and walking lanes being constructed currently, perfect for speeding up drop offs/pick ups! The money and jobs it will bring to the area, superb! It really is just a brilliant area for our beloved Oufc. Please, let this world class stadium be built in the current vacant space. My grandchildren all live in Bicester, and have told me that they will all become season ticket holders if it comes to Kidlington and use the train, perfect, it really would be. Please see the bigger picture when considering. COYY"/>
