<b>Comments</b>	<input type="text" value="I support this application, not only as a fan of Oxford United, who I've support for over 40 years, but also for the community of kidlington and Oxfordshire.&lt;br/&gt;Oxford United need a new home to play professional men and women's football, as well as all the boys and girls youth teams but also for the work they do in the community, be that the older generation with the manor club sessions, of the work they do for the younger generation with the work in schools.&lt;br/&gt;&lt;br/&gt;This facility at the triangle will allow the football club to continue their great work in the Oxfordshire community as well as well a stable home for the football club for ever!!&lt;br/&gt;&lt;br/&gt;My family have lived in kidlington for over 50 years and this will be another reason to to be proud of the village we call home.&lt;br/&gt;&lt;br/&gt;An eco friendly stadium, creating jobs for the great people of kidlington and north Oxford, a stable future for Oxford United and a fantastic community programme, I can only see great benefits of approving this project."/>
