Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="The football ground would be a great asset to not just Kidlington but the surrounding areas as well. The transport links are placed perfectly for access to the proposed site. The opportunity for the youth of Kidlington is brilliant and the jobs created would also be a positive. I live not far from the site and have no objections and look forward to a positive outcome of the application."/>
