Comments	<input type="text" value="Once in a generation chance to get top facilities for the people of Kidlington and the youngsters.
The current facilities at Stratfield Brake are embarrassing for all the sports teams. The 'Triangle' land is not a piece of land for the public, never will be. Majority of people didn't even know about that bit of land until the council suggested it.

To miss this opportunity of these facilities would be crazy for the area and people of our area!"/>
