Comments	<input type="text" value="Oxford shire needs an up to date state of the art stadium. Oxford United is more to the county than just a football club. It brings people together. The club needs to have its future secured by having a stadium to play in beyond 2026. The new stadium also needs to be there for the everyone of Oxfordshire to use for many reasons as well as football and needs to have clauses put in place so that this can never be taken away as the Kassam has. Oxfordshire needs a stadium to finally be proud of for everyone."/>
