<b>Comments</b>	<input type="text" value="I support the proposed bridge.&lt;br/&gt;&lt;br/&gt;Oxford United football club is part of the community within Oxfordshire, and as such the access to and from the stadium is essential to ensure fans can get to matches as easily as possible.&lt;br/&gt;&lt;br/&gt;As a season-ticket holder who lives far from the new ground, it is essential that there is easy access to the ground from the parkway that is safe and secure.&lt;br/&gt;&lt;br/&gt;The bridge will also mitigate any risk of road closure before and after the match, therefore the bridge resolves any issues through road closure.&lt;br/&gt;&lt;br/&gt;It is also worth recognising that as the only club in Oxfordshire that has the opportunity to grow into a championship club, convenient access to the stadium for away fans will mean more away supporters attending games, therefore supporting the local economy and bringing in revenue to local area."/>
