Comments	<input type="text" value="I'm a 15 year old football fan. I've supported Oxford United all my life. My Dad has always taken me and I have a dream that one day I will take my children. I worry that without the new stadium then this will not be possible. Moving to Kidlington will mean we can travel there by train, instead of having to drive by car. This new facility will be an asset for the whole county and I'm very excited for it to be built."/>
