<b>Comments</b>	<input type="text" value="I fully support Oxford United moved to Kidlington, as the benefits to the local economy, including hospitality venues, shops and food outlets, as well as increasing Kidlington's profile nationally and may bring new businesses to the area, outweigh any disadvantages which will occur from a stadium develop, It's also nice to see investment in our local parks and local clubs on a scale which are parish Council unfortunately don't have access to those types of funds which Oxford United have"/>
