<b>Comments</b>	<input type="text" value="As a football fan and a Bicester resident I fully support the planning application for the new stadium for OUFC.&lt;br/&gt;&lt;br/&gt;I look forward to being able to use public transport to travel to matches which is not possible at the Kassam.&lt;br/&gt;I have not read the full proposal but I trust the club to have thought of the community as a whole and to lead the way in innovation with the build, looking at the environmental impact and the benefits they can bring to the local area.&lt;br/&gt;&lt;br/&gt;I believe it will put OUFC and Kidlington on the map which can only be positive for everyone. It will bring more investment in the local area and more trade to those already here.&lt;br/&gt;&lt;br/&gt;To become one of the greenest clubs in the country is something we should all be proud of."/>
