| Comments | <input type="text" value="I wish that planning permission to build the stadium is passed as soon as possible. We have no stadium from Summer 2026 as our lease ends and the lease holder will not renew the lease in OUFC's favour. Having been an OUFC supporter since the early 1960's AND having played in the Manor in the Manor Cup Final for my junior school in 1964 I feel it is imperative that planning permission is given for the new stadium. Oxford without a well built stadium is unthinkable. A decent stadium (not like the half built-unfinished stadium at the Kassam) is imperative for both OUFC and Oxford itself."/> |
