Comments	<input type="text" value="We are in favour of this proposal, Oxfordshire does not have a world class stadium to serve the community, this is in the perfect location with good access to the rail station plus park and ride and also easy access to local bus links, It will bring many jobs to the vicinity - Also is environmentally friendly and we like the fact that it's carbon neutral.

Our family has supported Oxford United for 60 plus years, it's part of our lives, gives us something to look forward to and we love the matchday experience. We have so many fond memories, Wembley 2010 - 1986, days we'll never forget. If this application isn't approved then potentially OUFC will be no more. Please don't let this happen. Let's get it approved and look to the future for the kids of today.

Win or lose, up the U's xxxxx"/>
