Comments	<input type="text" value="I've looked at the amazing design of the new stadium, and after reading all the points, it covers so much. I think the benefits to the community and the whole of Oxfordshire are numerous it goes without saying the whole future of Oxford United is getting the new stadium. So we need everyone to pull together and get this fantastic development built. Time goes so quickly and August 2026 will be here before we know it 28 months is not long."/>
