Comments	<input type="text" value="I wish to support the building of this stadium. My reasons being as follows. My great uncle was playing for the club in 1898, when they won there 1st trophy, full back Fred Taylor. My grandfather played for the club pre 1st World War. My father helped building the old Manor ground and fund raised for the club. My brother served on the supporters club committee. I have supported the club for over 60 years. We are all OXFORDSHIRE people, I believe the club will die if the stadium is not built. We would be moving to a wonderful new GREEN Stadium, most of us would leave our cars at home and use public transportation. I want you to remember Oxford Utd is Oxfordshire and Oxfordshire is Oxford Utd. I beg the council to support this application. Thank You"/>
