Name	<input type="text" value="Ian Jenkins"/>
Address	<input type="text" value="15 Shergold Road, Bampton"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="This is an opportunity for Oxfordshire to gain a forward-thinking, environmentally sympathetic sports facility that will benefit all ages for generations to come. Football is a major part of the fabric of British life and as a county with only one football club in the Football League, we need to help Oxford United secure its future with this ground. As seen through the pandemic, football is a lifeline for many whether that's by combatting loneliness, improving mental health or through community schemes via the club's charity arm. To have a ground where both men's and women's teams can play is a huge step forward for a club that has such huge potential both on and off the pitch. Moving to a stadium with vastly superior public transport links and impeccable green credentials through design and construction allows the county to be a beacon of environmental responsibility at a time when that is more crucial than ever."/>
