Comments	<input type="text" value="I fully support this application. Not only because I am a season ticket holder, but I believe it will be a great facility supporting local communities and schools including Begbroke and Yarnton, in sport, recreation and retail. Whilst there are concerns regarding local travel plans, I would no longer have to travel by car to Cowley, sit in traffic jams and then try find a parking space. These plans would reduce the impact of vehicles in the Kassam area. I would probably be able to walk to the stadium."/>
