Address	<input type="text" value="Point Place,Witney,OX28 6JY"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<p>The need for a new stadium is of the utmost urgency, this will finally be somewhere the club can truly call home.</p> <p>This will be a state of the art, environmentally friendly stadium which will benefit not only the football club but the immediate local area and wider Oxfordshire community. The local sports pitches which are in a state of disrepair would be transformed to the benefit of local youngsters along with all the proposed outreach activities this will be of a huge benefit for the local area.</p> <p>It could not be better placed to incorporate the transport facilities, which is the polar opposite of the current site.</p> <p>The transformation of the current unused scrubland to a world class eco stadium and the economic benefits this would bring to the area and county as a whole is a massive bonus.</p> <p>The positives of the whole project would outweigh the negatives by a country mile.</p> <p>The future of a 130 year old football club is now literally in your hands</p> <p>As Councillors your legacy could be such a huge one by approving this application, with a stadium to benefit thousands and many generations to come.</p>
