Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I support the application for a new ground at the triangle, on the basis that it would be a world class facility that would bring jobs and income into the local area, the planned site for the new ground is in an ideal location due to the locality of a nearby train station, and also the park and rides that are very close by, making it much easier to access using public transport. As a supporter of Oxford United for the last 50+ years, it would be great in the future to be able to go to a game with my children and grandchildren, and not have to drive. Please support the application for a new ground at the triangle, losing the only professional club in the county is unthinkable."/>
