<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="Completely support this application.&lt;br/&gt;Oxford United's contribution to the community has been and will continue to be immeasurable. The club is in the blood of so many families, over many generations, locally and further a field.&lt;br/&gt;The community work enhances the lives of so many youngsters , my youngest son was lucky to be one of those.&lt;br/&gt;For the club not to have a home they can call their own is holding them back , they could do so much more if this application is successful.&lt;br/&gt;The only way to travel to the current ground from Chinnor is by car. The proposed site would enable easy rail travel."/>
