Comments	<input type="text" value="Living near Princes Risborough, I've been an OUFC supporter since the early 1980s and have always had to travel by car. Now in my 80s, driving in the winter gloom/dark is not something I like doing. I'd be so happy to be able to avoid using my car. The Triangle site represents a perfect solution for me with the train service from Risborough to The Parkway. OUFC have been, and are, a major outlet for me, and PLEASE you cannot allow the club to become groundless and die. Approve the exciting planning application."/>
