<b>Type</b>	<input type="text" value="neighbour"/>
<b>Comments</b>	<input type="text" value="The new stadium would give welcome employment to the area. The old stadium has terrible travel Infrastructure it's always been hard to get to. Having a train station great bud routes and also 3 routes by road it makes it the perfect location. It is also on a parcel of land which is been out of use for years. It will be great for all the local youth sports clubs."/>
