<b>Comments</b>	<input type="text" value="Oxford United provides a critical cohesion to the Oxfordshire community bringing a mixture of hope, joy and despair. In particular, for the youth of the county, it is inspirational to see how local players (both boys and girls) can progress to represent their local club. The fact that OUFC have promised that their womens team will play at the new ground is especially welcome.&lt;br/&gt;&lt;br/&gt;The plans for The Triangle are making the club solvent for the long-term with ecological friendly building with exciting features such as safe standing.&lt;br/&gt;&lt;br/&gt;From the local Kidlington community point of view, there will be many direct benefits such as support for local clubs and commerce. Plus the indirect benefits of increase of retail trade such as shops, pubs and hotels."/>
