Comments	<input type="text" value="I support this move to kidlington.
Without this move we have no football club. Football brings people together from all walks of life and if this is taken away from me and everyone else it could be disastrous. The plans that have been put in place will boost the economy of kidlington which is much needed. Furthermore, I don't think you can understate how much this project will bring the community of kidlington together. Please support the application of this new ground, not just for me but the whole of Oxfordshire."/>
