Comments	<input type="text" value="Hello, thank you for reading this.
We are a young family who live in Littlemore Oxford, within walking and cycling distance of the current Kassam stadium.

Our children are 5yrs and 3yrs and attend each home match with me. I took advantage of the excellent offer Oxford Utd were running of free season tickets for under 7s. They have really enjoyed the experience of attending a cultural event such as this. As a family we felt this was really important for the children to have the opportunity to see, hear and feel the atmosphere and learn life skills like dealing with crowds, etiquette of talking with stewards and members of the public and seeing their local team play sport. Inspired by attending matches our daughter has since attended a girls' football team.

I hope this keeps an insight into the value of a local sporting team and how important it is Oxford Utd continue to have a home to play matches in. We therefore, as a family, support the application of Oxford Utd to move to The Triangle.

Thank you reading and helping the city.
Best wishes
John, Catherine, Bonnie and Micah"/>
