Comments	<input type="text" value="Fantastic plan, would bring a lot of jobs and revenue to the area and bring together a large part of the Community, with the proximity to the Oxford parkway station and the amounts of bus routes already through Kidlington I believe it would be not only a sustainable project but also not increase traffic as much as some people are fearing/suggesting. Really hope this goes ahead, would be fantastic to let this club have its own home and support it's community."/>
