<b>Comments</b>	<input type="text" value="The future of OUFC hangs in the balance. If this proposal does not get accepted we can say goodbye to the only professional club in the county. Many peoples lives will be destroyed if this club does not get this stadium. This is a once in a lifetime opportunity for the county to get a state of the art complex that will not only bring happiness (and sadness if we lose) but also lots of job opportunities. It will also be a great hub for the local community. Please accept this proposal"/>
