Comments	<input type="text" value="This would be a very important for the City.

On a personal note, currently it takes me two buses and about 2 hours to get to Grenoble road. Should this be built I'd get the bus to some point in Kidlington and walk the remainder of the journey. This would take a maximum of 30 minutes to reach the proposed site.

The plans produced answer all questions posed and should be given the green light."/>
