<b>Comments</b>	<input type="text" value="I support this application. I have friends and family who are Oxford United supporters and who gain a lot from the club in terms of interest, enjoyment and socialising with others. The County Council have confirmed that they are satisfied that the club cannot stay at the current stadium and so a new one is required. The proposed site is excellent from a public transport perspective and the new stadium will greatly enhance the availability of sporting facilities in the area. Without this new stadium, the club will likely cease to exist and that would be a tragedy for the tens of thousands of people who follow them."/>
