<b>Comments</b>	<input type="text" value="1. The owner of OUFC's current stadium has said he is open to their continuing there. Clearly an empty stadium with no tenant is of little value to him so it in his interests to reach an agreement with OUFC. A new stadium is therefore unnecessary.&lt;br/&gt;2. The residents of Kidlington have already voted more than 2-1 against this proposal.&lt;br/&gt;3. We should be protecting green belt land, not building on it. This will do away with much of the space between Kidlington and Oxford."/>
