<b>Comments</b>	<input type="text" value="As a wife of an OUFC, where possible I like to attend matches with my other half. I must say apart from actually watching games, the whole experience and location of the current stadium is not particularly desirable. The condition of the stadium is awful the toilet facilities should be condemned, the landlord doesn't want us there.&lt;br/&gt;More importantly the only real way of getting to the stadium is by car and for most games the car park is full.&lt;br/&gt;The opportunity of what will be world class facilities and the Triangles location will give fans the opportunity to use public transport to attend games and the whole fan experience will be 1000% better. OUFC is at the heart of the community of Oxfordshire. It's importance should not be overlooked, not just mens football, but womens as well. My husband went to matches with his grandad in the 60's. He now goes with his sons and his sons mates and is looking forward to taking his granddaughter to the new stadium when built.&lt;br/&gt;I urge the councillors of Oxfordshire to not miss out on this opportunity and not be the reason OUFC dies."/>
