Comments	<input type="text" value="I whole heartedly support this application for the benefit of the local economy, a facility which will bring employment and prosperity to the area. Much need facilities and opportunities for immediate area of Kidlington and much needed venue for Oxfordshire.

It is ideally placed allowing access from the railway station at Parkway and the road network for buses and cars from the A34, A40 & M40, With minimal impact on Kidlington and the surrounds.

This will also allow a very popular Oxford institution to thrive away from the shackles of its current situation."/>
