<b>Comments</b>	<input type="text" value="What a wonderful community facility this could be. I'm absolutely in support of Oxford United having a new stadium on the site that is known as The Triangle. It is absolutely clear, looking at the clubs plans and ideas for this site, that they have researched thoroughly on how they can add extra for Oxfordshire as a whole with a new stadium in this location. It's an impressive far cry from the current disaster which is The Kassam Stadium. This new site will be so much easier to access - with a fabulous public transport infrastructure running right to its door. It is also clear that Oxford United cannot continue to play at their current location when the current lease expires. And a city the size of Oxford needs to have a professional football team with a home for the City and wider County to be proud of. The new stadium looks so impressive in the plans - and provides Oxford with a magnificent opportunity to build a brilliant tourist attraction in a great location to be enjoyed by so many"/>
