<b>Comments</b>	<input type="text" value="This new stadium of Oxford United simply must happen. Its a fantastic site with public transport options next to it. I have been an Oxford Utd supporter my whole life and been going since I was very small at the Manor ground. They are so important to me. Going to watch my club on Saturday afternoons is something I look forwards too all week and it's very good for mental health too. Please don't take this opportunity away from myself aswell as many others with this view and approve the planning, make it happen. Oxford United can then strive to make the whole community proud as a club. Will also open up lots of job opportunities in the area. So once again I ask please approve this as its the right thing to do. Thanks Tom"/>
