| Comments | <input type="text" value="What a wonderful opportunity to have a stadium and facilities that Oxford and Oxfordshire can be proud of. Please, please don't pass this up. For the sake of the Football Club (and this includes all the children and women involved) it needs to have this facility to survive. Please back the planning application so that we can progress this as soon as possible. In addition it will bring jobs and revenue and will have a huge positive impact on so many people."/> |
