Comments	<input type="text" value="I currently live by the kassam but o have always supported pufc my whole life and I think it is about time Oxford as a city we have something to.be proud off. World class stadium with a good football club and for those who object and concerned about traffic it is not that bad maybe for 2 hours per week not too bad out of 168 hours per week road works will cause you more traffic than this and also think of the extra money will generate around Kidlington Please please approve our new gtoind"/>
