Case Officer	<input type="text" value="Laura Bell"/>
Organisation Name	<input type="text" value="Alicia Talbot"/>
Address	<input type="text" value="26 Cherry Tree Way,Witney,OX28 1AJ"/>
Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="OUFC is a club with deep roots in the community. I support the application as it will bring revenue and opportunities for the residents of Kidlington and will provide the club with a security into the future. OUFC is not only a football club. They have an extensive network of projects and outreach activities which support everyone in this city. My children have benefitted from their soccer schools in the summer holidays and my father benefits from their Manor Club meetings once a month which provide him with much needed respite from his caring duties. He also benefits from regularly attending matches both home and away. The mental health relief that football brings to fans cannot be underestimated and if the club cannot move from its present location these activities and the support they provide for locals will be lost. The proposed location also has the advantage that it is better served by public transport which will support the environment as supporters will be less reliant on car transportation to matches. In addition the proposed changes to infrastructure will be advantageous to Kidlington and, with the residential land at Stratfield Farm currently being offered for sale, the additional housing will benefit from the proposed stadium and infrastructure improvements."/>
