<b>Comments</b>	<input type="text" value="Oxford is a world city. For it not to have a professional football club is unthinkable. The Triangle could not be a more ideal piece of land on which to build the new stadium. The transport links could not be better. The stadium itself seems to tick all the boxes that should be ticked. And it will provide work, income, fun and pride for the people of Oxfordshire. Please allow the stadium to be built - it will be a fine legacy for you."/>
