<b>Comments</b>	<input type="text" value="I think this is a fantastic opportunity for the area and the football club. The new stadium will provide direct and indirect job opportunities for local people, the proximity of the site to Oxford Parkway will reduce traffic on the roads of Oxfordshire on game days. The stadium will also allow for other events such as concerts, which is a benefit to young people in the area. I am 54 and have been watching OUFC since I was 10, it's time we gave the club something back."/>
