<b>Comments</b>	<input type="text" value="As the leading professional sports team in Oxfordshire, it's vital to support the construction of a stadium which allows Oxford United to run sustainably, as well as elevating the club in the national consciousness and generating employment and revenue within the area. Oxford United are an important part of the cultural identity for tens of thousands within Oxfordshire, and the proposed stadium gives them all a home to be proud of, rather than an unsustainable breezeblock as is currently the case."/>
