Comments	<input type="text" value="I'm writing to lend support the the oxford united football stadium. We need the stadium. Not only is our 3 sided stadium a laughing stock in the football community. I believe the lease is going to run out so we could be homeless.
So many lower league clubs have been lost over the years, we can't lose another, especially ours.
We're on the brink of promotion, if it doesn't happen this season I believe it will in the near future.
Not only do we need the new stadium, I believe it's proposed location will only bring more and new fans to it.
The stadium is a must.
Please approve it.
Thank you."/>
